- Once you are done click “**Continue**” (you can re-edit your team page anytime you want)
- **Set Team Fundraising Target**
 - This is the target for everyone in your team to raise, not your individual target
- **Create Team Page Link** – this is the personal URL link you will use to spread the word about your team

- **Share your Team Page** email the link to your team page to people you want to join your team
 - Once they follow the link to your team page they just need to click “**Join the team**” to create an individual fundraising page in your team
 - They will need to sign up with “**Just Giving**” and create a team page, just as you did.

The image shows a screenshot of a fundraising team page. At the top left, it says "LRS.Admin Team" and "Team fundraising for Long Ridge School Inc". Below that, it says "Event: 10K for \$10K Virtual Fun Run/Walk, from April 1, 2021 to April 30, 2021". The main content area features a banner with silhouettes of runners and the text "DATE April 1 - 30, 2021". To the right of the banner, there is a progress indicator showing "0%" in a green circle, with "\$0 raised of \$1,800 target" below it. At the bottom right, there are two buttons: a green "Donate to a team member" button and a blue "Share on Facebook" button. A blue hand-drawn circle highlights the "1 team member Join the team" text, with four blue arrows pointing towards it from the top, bottom, left, and right.
